Attendance and Communication

Consistent attendance is important for membership in the jazz band. Students should not be missing rehearsals consistently without prior communication with the director. It is possible that consistent absences may result in dismissal from the band. If a student is in school, they are expected to be at our rehearsals.If a student needs to miss a rehearsal for any other reason than missing school, they need to email Mr. Schwartzer before the rehearsal takes place so they may be accounted for.

Exemptions from some rehearsals **may** be made for school sports, the school musical or other clubs, upon consultation with Mr. Schwartzer.

Rehearsals begin at 3:00 pm sharp in the high school band room. Students should be prepared with their music, equipment, and a pencil.

Attendance at all festival and concert performances is required, please see the dates above.
